Opener & Pre-Frame

Set the frame. Tell them what this call actually is.

ASK

Hey, is this [Name]?

SAY

Okay, cool, what's going on, it's Coach Dave. How you doing?

THEY ANSWER

SAY

Good to hear. Listen, I got calls lined up back-to-back today. You mind if we jump right into the call?

THEY SAY YES

SAY

Okay, cool. So on this call, we're gonna go over your #1 fitness goal, your #1 struggle, what's been getting in the way, and I'll let you know if I can help you or not. If I can, I'll tell you what that looks like and invite you to work with me at the end. If not, you'll still get value when you leave the call. Sound good?

Coach note. Tone check. Calm, easy, confident. The frame is the whole point of this section. Don't skip it because it feels small.
